# Welcome to St. Barts

St. Barts is a one of a kind destination. Located in the middle of the French West Indies, this 25 km<sup>2</sup> only island gets itself talked about a lot. Described as a little paradise due to its crystal clear waters and white sand beaches, it is often associated with celebrities and multimillionaires. However, St. Barts has much more to offer: its natural and cultural wealth is endless.

# Our location in St. Barts

Located northeast of St. Barts, Le Barthélemy Hotel & Spa is set on the perfect crescent and protected bay of Grand Cul-de-Sac. This quiet beach is 3 miles from Gustavia, a short drive from the island's airport. Grand Cul de - Sac is one of the favorite beaches for families thanks to its calm waves and smooth, shallow waters; you can walk further and further into the water and still feel the sand beneath your feet, while the multicolored Caribbean fish swim around you and sea turtles have fun in the crystal clear waters. Le Barthélemy Hotel & Spa is refined and fresh, as elegant and restorative as its stunning beachfront location.

# Le Barthélemy Hotel & Spa

Welcome home. This is your private retreat. A sophisticated and refined testament to high standards and service amenities. Here you will find timeless elegance, warm authenticity and stunning beachfront settings of the Caribbean.

At Le Barth, there are no guests, just family returning home. Which is why we take such care to tailor-make every moment, creating comfortable and sophisticated experiences in a serene location, with the utmost discretion. Restore your soul in a captivating atmosphere during your stay in St. Barths, where thoughtfulness and attention to detail are part of our daily activities.

## Dining

Welcome to Abyss, where dining takes you to the deepest depths of flavor and sophistication at Le Barthélemy every evening. Abyss isn't just a name—it's an invitation to explore the profound and mysterious, a journey into the heart of French fine dining infused with the vibrant soul of the Caribbean. Each evening here is a dive into a culinary experience that is as deep and rich as the ocean itself. The menu at Abyss is a masterful exploration, where classic French techniques plunge into the bold and fresh flavors of the Caribbean. Every dish is carefully crafted using locally sourced ingredients, ensuring a freshness that takes your palate to new depths. The harmony between land and sea is evident in every bite, connecting you to the very essence of St. Barts.

Abyss also takes its name to heart with our extraordinary house cuvée, Leclerc Briant Champagne. This champagne spent a year submerged in the depths of the Atlantic Ocean, a process inspired by the discovery of a 170-year-old shipment of champagne perfectly preserved under the sea. This unique aging process infuses the champagne with the mysteries of the ocean, delivering a flavor that's as deep and complex as the abyss itself. The ambiance at Abyss is equally immersive. Each night, live music flows through the air like an undercurrent, adding a soulful rhythm to your dining experience. The combination of exquisite cuisine, exceptional wine, and captivating music ensures that every evening at Abyss is an unforgettable journey into luxury. Come to Abyss, where every detail is designed to take you deeper—into flavor, into experience, into the extraordinary. Dive in and discover a dining experience unlike any other, where the depths of culinary art are waiting to be explored.

Embark on a celestial journey at the Seven Stars Bar, where astrology, art, and exquisite flavors unite for an unparalleled experience. At the heart of the Seven Stars Bar are our 12 signature cocktails, each one meticulously crafted to embody the essence of a zodiac sign. These cocktails are more than just beverages; they are liquid art, served in bespoke glasses etched with the zodiac symbols. Every detail is considered, down to the personalized leather coasters that accompany each drink, adorned with a four-line poem that captures the spirit of the sign. The culinary experience at the Seven Stars Bar is equally remarkable, with a tapas menu that pairs perfectly with our astrological cocktails. The tables themselves are works of art, designed to resemble real paintings, while the plates are from the exclusive A Toute Epreuve - Juan Miró collection by the esteemed French porcelain manufacturer, Bernardaud. Each element is chosen to enhance the aesthetic journey, ensuring that your dining experience is as visually stunning as it is delicious. The menu, presented as an astrology wheel, is a masterpiece in its own right, handcrafted by local artisans to add a personal touch to your experience.
