

## 23 Best Summer Vacations Everyone Should Consider in 2025

If you're craving a classic tropical getaway, complete with leisurely beach days and piña coladas, book a weeklong trip to St. Barts. Winter is actually the island's peak season, which means you won't have to battle as much traffic in the summer—the roads are small and winding—and coveted dinner reservations will be easier to snag. For an experience that offers the best of both beach lounging and active excursions, book a suite at Le Barthélemy Hotel & Spa. Located in the secluded but still convenient Grand Cul-de-Sac neighborhood, the hotel is the perfect jumping-off point for those wanting to explore the area by Jet Ski or snorkel around the calm, clear waters (keep a lookout for sea turtles).
